

# HCEA 2009 Annual Meeting: Exhibitor Prospectus

## 2008 Exhibitors

The 2008 HCEA Annual Meeting in Salt Lake City sold out with 115 exhibiting companies occupying 155 10' x 10' spaces. Exhibitors included companies involved in marketing/promotional services; promotional items and premiums; exhibit design, building, distribution, installation and dismantling; special events; convention and visitors bureaus; corporate hotels; destination management companies; technical and audio-visual firms; and other organizations serving the healthcare convention and exhibition industry.

While the majority of exhibitors attend seeking new leads, many discover that the HCEA exhibition is important for enhancing corporate visibility and image, maintaining a competitive presence, meeting with current customers and introducing new products and services.
